RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Noting the Office Action of August 17, 2006 wherein restriction has been required, Applicants hereby elect Group I (claims 1-18) with traverse for prosecution in the above-identified application. Applicants further elect Species I-a, the second embodiment, claims 1-5, 7-10, and 12-19 readable thereon.

The restriction is traversed because the first embodiment was not included in the listed species. In addition, sixth and seventh embodiments are also disclosed in the specification and are covered by claims. Further, contrary to the Examiner's assertion that claims 1 and 12 are generic, claims 1-3, 7, 8, and 12-19 are generic to all the species. The Examiner implicitly recognized that claim 19 is generic to all the species, as the Examiner asserted that the method could be used to make any one of the species.
